

*Sport & Spine Therapy of Marin is pleased to announce
the next in our 2010 Lecture Series:*

Complementary Treatments for Neck & Back Pain

Presented by:

**Dr. Doug DeSalvo,
Chiropractor**

**Wednesday, April 7th
7:00 - 8:00pm**

With over 6 million cases seen annually, back and neck pain, are among the most common ailments treated by doctors in the U.S. Join Dr. DeSalvo, as he discusses highly-effective treatment techniques which help to improve spinal biomechanics and reduce stress and pain, even in difficult cases. Learn about the DRX9000 and spinal decompression—state-of-the-art technology that is a non-surgical, non-chiropractic therapy for the treatment of herniated and degenerated discs.

**At Sport & Spine Therapy of Marin/Novato
165 Rowland Way, Suite 101
(Inside the Medical Offices next to Novato Community Hospital)**

*The lecture is free and open to the public, but seating is limited.
Please RSVP to reserve a spot by calling our office at 415-898-1311*
