SPORT & SPINE THERAPY OF MARIN CELEBRATES 23RD ANNIVERSARY

Novato, CA, July 20 2010 — Sport & Spine Therapy of Marin, Inc. (SSTM), a physical therapy organization providing outpatient rehabilitation, celebrates its 23rd anniversary this month. Originally founded in 1987 as Novato Back Care, SSTM has provided rehabilitation therapy to generations of Marin County families.

Owned by Steve Thompson, President and CEO, SSTM has two locations: a Novato clinic, located in the medical offices next to Novato Community Hospital and a San Anselmo clinic, located at 220 Greenfield Avenue off the Miracle Mile.

“We have a lot of people to thank for our success,” says Thompson, “Our dedicated staff, who work as a team to provide caring and professional service to our patients; our referring doctors, who have the confidence and trust in us to treat their patients; and, our devoted patients, who frequently refer friends and family members due to the excellent care they received at our clinics.”

On July 21, from 12:00 – 5:00 p.m., SSTM will be celebrating their anniversary with free cake for all its patients and friends at their Novato clinic – 165 Rowland Way, Suite 101.
